

MILDURA MUSTER - Celebrating 45 Years of the Jaguar XJC

Hi Again,

Thank you to all who have responded to my previous email. There has been an enthusiastic and positive response from the 19 previous registrations we have for this event with 13 so far indicating they will be there and 2 needing still to clarify their diaries.

So just to clarify

1. The dates are now firm at **April 16 - 19, 2021**.
2. If you are receiving this email it means that you are registered for this event.
3. If you previously booked accommodation at the Mildura Golf Club Resort, your reservation has been moved to the new dates. If you are in any doubt please feel free to check your reservations. Speak with **Cheryle - 03 5023 1147**
4. A announcement of the change has been posted on the Coupe FB Page
5. The planned activities etc for the weekend will we expect be largely unchanged from that previously promoted. A new event brochure will be updated and distributed as soon as I have all our ducks in a row.
6. If you are unable to attend, please be sure to contact the Mildura Golf Club Resort and cancel your accommodation. If you wish a refund of your registration fee (\$30.00) you will need to notify me.

So the countdown is now on I will keep you informed.

Many Thanks for your patience

Philip Prior
